

YOU:

Do you:

- Have a passion for science, technology, engineering, art, and/or math (STEAM)?
- Thrive on the energy of elementary school kids and enjoy inspiring young minds?
- Geek out over equipment like 3D printers and laser cutters?

Share your awesomeness with us!

Do you also:

- Play an instrument, love beading or sports, act, sing, dance, draw, sew, or even have magic tricks up your sleeve?
- Have a knack for integrating the "A" in STEAM through creative arts?

We're always excited to incorporate diverse talents into our programs!

THE OPPORTUNITY:

STEAM PEI is seeking a Makerspace and Indigenous Program Intern to assist with:

- Preparing for and delivering summer camps, especially in Indigenous communities.
- Developing fun, hands-on STEAM activities for Indigenous STEAM Camps.
- Supporting Indigenous students attending STEAM PEI programs.

Location & Travel:

- Primary work will be at 141 Mount Edward Road, Charlottetown, PE C1A 5T1.
- Occasional work at STEAM PEI camps, including:
 - One week at Lennox Island First Nation.
 - One week at Abegweit First Nation.
 - One week for high school students at a rural location (transportation and accommodation provided).

Schedule & Compensation:

- Start Date: June 23rd.
- Duration: 10 weeks, until September 1st.
- Pay:

- \$18-20/hour for post-secondary STEM students with relevant experience (37.5 hours/week).
- \$16-17/hour for responsible high school students (Grade 11/12 or recent graduates).

The real reward? Seeing the light in students' eyes when they discover something new and inspiring confidence in their teachers. Help build the future of STEAM on PEI!

THE SKILLS:

If working with:

- 6-year-olds and robots,
- 12-year-olds blasting off bottle rockets, or
- 15-year-olds creating stop-motion animations sounds exciting, this job is for you!

Must-Haves:

- Clean criminal record check.
- First Aid certification.
- Willingness to maintain public health guidelines.
- Comfort with learning new tools and skills.

Key Skills:

- Experience working with Indigenous youth.
- Knowledge of Mi'kmaq culture and local Indigenous communities.
- Familiarity with STEAM concepts (science, technology, engineering, art, and/or math).

Bonus Points:

- Experience using tools like Makey Makey, micro:bits, Scratch, Dash, Canva, Clockify, and Trello.
- Experience working with BIPOC and/or gender-diverse students.

We value diversity of perspectives, people, knowledge, and cultures. At STEAM PEI, we strive to create an inclusive, welcoming environment where everyone feels a sense of belonging.

ABOUT US:

STEAM PEI is a non-profit organization dedicated to inspiring young Islanders to explore learning and careers in STEAM (science, technology, engineering, arts, and math). Our mission is to foster curiosity and confidence through hands-on, experiential learning opportunities.

We are excited to announce that we will soon be located at **141 Mount Edward Road, Charlottetown, PE C1A 5T1**, where we will continue to deliver impactful programs.

Our efforts focus on reaching youth across PEI, with particular emphasis on under-represented groups, including girls, Indigenous youth, and youth from low socio-economic backgrounds.
